

Phase Out Notice for AIM-58

Advantech is formally announcing that the following products will be phased out. This announcement takes effect immediately. Please review this phased-out notice carefully and contact your geographic location immediately. Failure to respond will be deemed acceptance of the change, and the implementation of the change will proceed according to the key milestones outlined below.

Phase Out Reason

Advantech is announcing the **end-of-life** notice of the **AIM-58**, with its replacement model being the **AIM-68H**. The AIM-58 was launched from 2018 to 2024, boasting a product longevity over 5 years. With type-c charging regulation restriction and related components end of life, we phase out AIM-58 globally.
