

Phase Out Notice for AIM-37 series

Advantech is formally announcing that the following products will be phased out. This announcement takes effect immediately. Please review this phase-out notice carefully and contact your local representative immediately. Failure to respond will be deemed acceptance of the change, and the implementation of the change will proceed according to the key milestones outlined below.

Phase Out Reason

Advantech is announcing the **end-of-life** notice for the **AIM-37AT** and **AIM-37AC**, which supported Intel Cherry Trail CHT T3 with both Win10 and A6.0 in the past 7 years.

The **replaced** models are the **AIM-77** and **AIM-77S** series, which optimize the user experience in both mobility (portable) and stationary scenarios (always-on-dock), with the features of a Rochchip RK3568, Android 12, fast charging, bypass charging, and various vertical marketing peripherals for retail, catering, and hospitality market. The AIM-77 and AIM-77S expected to be launched in the second half of 2024.
