

Phase Out Notice for PWS-872

Advantech is formally announcing that the following products will be phased out. This announcement takes effect immediately. Please review this phase-out notice carefully and contact your local representative immediately. Failure to respond will be deemed acceptance of the change, and the implementation of the change will proceed according to the key milestones outlined below.

Phase Out Reason

Advantech is announcing the **end-of-life** notice of the **PWS-872** due to the phase-out of key IC components. The PWS-872 has had a product life of over 7 years. The **replacement** model is the **PWS-872FL**, which provides a high-brightness panel and Wi-Fi 6 support and is still compatible with PWS-872 related peripherals.
